Effective Assessment in a Digital Age

[Document](#) | **Key** | Effective Assessment in a Digital Age is aimed at those in higher and further education who design assessment and feedback for their learners. The guide draws on recent JISC reports and case studies from different contexts and modes of learning to explore the relationship between technology-enhanced assessment and feedback practices and meaningful, well-supported learning experiences.

Rethinking Formative Assessment in HE: a theoretical model and seven principles of good feedback practice - Dr David Nicol, Debra MacFarlane-Dick
